**HARVEY COUNTY
FOOD & FARM
COUNCIL**

JOIN US!

We meet the first Monday of every month at 4 p.m. at 215 S. Pine Street, 2nd floor, Newton

Meetings are open to the public.

Funding for this directory was provided by a grant from the Kansas Department of Health and Environment Chronic Disease Risk Reduction Program.

► What we do

The Harvey County Food and Farm Council aims to:

Improve access to locally grown, healthy foods.

Develop strategies to ensure community residents are able to obtain safe, culturally acceptable, nutritionally adequate diet through a sustainable food system that maximizes community self-reliance.

Provide a forum to bring together stakeholders from diverse food-related sectors for discussion and coordination for community wide efforts to improve access to local food, examine how food systems operate, and to develop solutions to improve it.

► Want to be included in the directory?

If you'd like to be listed in this directory, please email us at: harveycountyfoodandfarm@gmail.com

For the most up-to-date copy of this directory, visit harveyfoodfarm.com

The content of this publication may not necessarily reflect the views of the Harvey County Food and Farm Council and the Harvey County Commission. There is no scientific evidence to date that non-GMO foods are healthier than GMO foods.
